RE: FOIA Request- Dashcam Video 11/19/18

Dear Mr. McElhinny,

Please be advised that the West Virginia State Police is in receipt of your request for video footage of a November 19 altercation among state troopers and a 16 year-old who was being apprehended and any internal communications about the video and its distribution.

The West Virginia State Police was not the investigating agency in the criminal matter of the juvenile; therefore you will need to contact the Berkeley County Prosecutor's Office.

Pursuant to West Virginia Code § 29B-1-3 et seq., the responsibility of the custodian of any public records or public body to produce the requested records for documents is at an end.

By Direction of the Superintendent,

A handwritten signature in blue ink that reads "Capt. C.A. Light".

Captain C.A. Light  
Deputy Chief of Field Services
